

<h1>Application for</h1> <h2>National Ethics Trial Competition</h2>
---

The National Ethics Trial Competition is open now for applications.  
Deadline is Oct. 2, 2020. Invited schools will be notified by Oct. 9, 2020.

The decision whether the competition will be held “live” in person or via Zoom will be made in due course but in ample time to plan accordingly.

Teams consist of four students (gender neutral) who prepare to try the case and play their witnesses. Teams may choose to have 1 or 2 students “swing” and assign only witness roles to the other teammates.
